

## WOMEN WHO ARE ALWAYS TIRED

May Find Help in This Letter.

Swan Creek, Mich.—"I cannot speak too highly of your medicine. When through neglect or overwork I get run down and my appetite is poor and I have that weak, languid, always tired feeling, I get a bottle of Lydia E. Pinkham's Vegetable Compound, and it builds me up, gives me strength, and restores me to perfect health again. It is truly a great blessing to women, and I cannot speak too highly of it. I take pleasure in recommending it to others."—Mrs. ANNIE CAMERON, R.F.D., No. 1, Swan Creek, Michigan.

**Another Sufferer Relieved.**  
Hebron, Me.—"Before taking your remedies I was all run down, discouraged and had female weakness. I took Lydia E. Pinkham's Vegetable Compound and used the Sanative Wash, and find today that I am an entirely new woman, ready and willing to do my housework now, where before taking your medicine it was a dread. I try to impress upon the minds of all ailing women I meet the benefits they can derive from your medicines."—Mrs. CHARLES ROWE, Kennebago, Maine.

If you want special advice write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

### A Colorado Case

"Every Five Years Tell a Story"  
Mrs. Alvira Day, 227 S. Second St., Montrose, Colo., writes: "I suffered from pains in my back and there was a swelling over my kidneys, especially in the morning, when I first got up. **Paxtine**  
A Soluble Antiseptic Powder to be dissolved in water as needed For Douches

In the local treatment of woman's ills, such as leucorrhoea and inflammation, hot douches of Paxtine are very efficacious. No woman who has ever used medicated douches will fail to appreciate the clean and healthy condition Paxtine produces and the prompt relief from soreness and discomfort which follows its use. This is because Paxtine possesses superior cleansing, disinfecting and healing properties. For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been relieved say it is "worth its weight in gold." ### Fiance! Stop, Think.

Let it be blamed by the unhappily married for leading them to the altar. Judge has issued a series of "straight tips to bridegrooms." Here they are:

The married gentleman of correct deportment places his nose to the grindstone at an Early Date. If he tries to watch the effect of the grindstone on his nose, all he gets out of it is Eye Strain.

Don't flatter your vanity; it is going to die, anyway.

### Burglar Proof.

"If you say this service is solid silver, I suppose I'll have to take your word for it," said the man who was selecting a wedding gift, "but it certainly doesn't look it."

"That's just the beauty of it," replied the salesman. "You can leave that silver service right out in plain sight on your sideboard, and burglars will never touch it."

### No Profanity.

"What did he say about the artificial lake in the garden?"

"Said it wasn't worth a dam."

"No man could approve of the recall as applied to himself."

"Oh, yes; an actor would."

### Offered an Appropriate Hymn.

A special preacher, about to ascend the pulpit in a country church, was asked if he would like any special hymn to be sung to agree with his sermon.

"No, no," he replied; "as a matter of fact, I hardly ever know what I'm going to say until I am in the pulpit."

"Oh, well, in that case," said the vicar, "We had better have the hymn 'For Those at Sea.'"

### Retort Courteous.

E. Pluribus Jones reached the station platform just as the 5:15 was pulling out. A little burst of speed before the admiring onlookers netted him 50 feet in overcoming the train's handicap, but the best that his ample carcass could do thereafter was to run a losing race. He quit at the end of the freight yards and returned.

"Miss your train, sir?" inquired the porter cheerfully.

Jones flicked a speck of dust from his coat sleeve.

"No, my friend," he said earnestly, "oh, no. I was just chasing it out of the yard. You oughtn't to allow it around here. Don't you see the tracks it left?"
